FRANCE RAPS MEXICO FOR CONFISCATORY TAX.

PARIS, Oct. 5.—The Tempe today devotes a leader to what it terms "Mexican anarchy in placing in danger French investment of \$600,000,000 by the arbitrary acts of the Carranza government," especially by the decree of September 5, and which it alleged, properties are confiscated.

THE TANK TERROR HERE AT HOME

—R. M. BRINKERHOFF—

YOUNGEST ACTOR IS STAR WITH MISS DORO

"The Heart of Nora Flynn" Appears at Royal Featuring Miss Marie Dero.

Buying an expensive automobile on his fifth birthday, with money that he has earned, and paying a chauffeur out of his own salary, has just been accomplished by "Little Billy" Jacoby, the celebrated child actor appearing in the support of Marie Doro in "The Heart of Nora Flynn", which will be seen today and tomorrow at the Royal. "Little Billy" just a few months over five years old, is one of the best paid actors in the photodramatic profession. He drives to work from his home to the studio every morning in an automobile which he purchased with the money he has made in the last three years and pays the wages of his chauffeur out of his weekly salary. Of course he is always accompanied by his mother, but "Little Billy" foots the bills.

Living next door to a studio and being a handsome baby, three years ago Billy secured a position with a motion picture company. His unusual cleverness pleased the directors and he was placed on the permanent payroll at a small salary. He was then secured by another company and starred, and his salary doubled. For the past two years he has been earning at least seventy-five dollars a week and has never missed a pay day.

Mr. Cecil B. De Mille, director general of the Lasky Company, saw one of the pictures in which Billy was a star and promptly engaged him to support Marie Doro.

In speaking of "Little Billy" Mr. De Mille said recently: "If many of the more prominent, more popular and more expensive actors were as easy to direct as 'Little Billy,' the life of a director would be a bed of roses."
